## President's Message

Dear Members,

It is indeed an honor to serve as 2023-24 President of The Hundred Club of Broward County.

I am happy to report we have an extremely capable Board committed to working for those who serve us in our community. I know I speak on their behalf, when I say thank you for your continued support of this fine and honorable organization.

When many Americans continue to belittle our first responders and push to defund our law enforcement officers it is important, as an organization, we continue to show our respect and support to those who risk their lives for us.

Our Club's mission of providing financial assistance to families under the most heartbreaking of circumstances is unique. More and more of our first responders are learning that we are here for them, not just in the saddest times, but also in some of the best times - when their children go off to college made possible through the scholarships, we provide at all of Florida's universities.

This year the Board's goal is to provide additional scholarship funding that includes technical and trade schools, as well as making the mental health of first responders a priority.

We do all of this through the generosity and commitment of our Members.

Mark J. Binko

President
