## **President's Message**

Dear Members of The Hundred Club of Broward County,

I have to admit this year has been out of the ordinary to say the least. Your Hundred Club has continued with its mission to support the Police and Fire Rescue members of Broward County.

Last year we helped five families who lost loved ones, some due to Covid-19 and some from violence. At this time in our country when so many are calling for the defunding of police, it is very important we, as an organization, show our support to those who risk their lives doing their job to protect us. I truly believe the men and woman of Broward County Law Enforcement and Fire Rescue know, as an organization, we are there for them with our scholarship monies for dependents at nine Florida universities and the monies provided to those families at the time of their loss in the line of duty of a family member.

We have plans to have a dinner meeting Tuesday, November 9 at Tropical Acres pending any restrictions on social distancing. We also plan to have a new member recruitment reception in October. Once the member recruitment date is set, we will notify everyone. If you have one or two potential members, please plan to bring them to the reception. Remember only you as a member will pay a nominal fee. Your guest(s) are not charged.

Our membership numbers are down slightly due to the pandemic. We will be able to recover with the encouragement of our membership to bring new people aboard.

I look forward to seeing everyone in the Fall.

Frank Krauser  
President 2021-22
