President's Message

Dear Members of The Hundred Club of Broward County,

I am honored to serve as President of The Hundred Club of Broward County in its 62nd year. I extend my deepest gratitude and heartfelt appreciation to each one of you for the extraordinary work you do. Your unwavering commitment to providing financial support to the families of our Police and Fire Rescue members of Broward County stands as a beacon of hope and compassion in times of immense sorrow and loss.

Our first responders are the backbone of our communities, always ready to rush into danger to protect and save lives. Their courage and selflessness embody the very best of our nation's spirit. When these heroes make the ultimate sacrifice in the line of duty, it is imperative that we, as a society, stand by their families, offering them the support and care they so rightfully deserve. Our mission to provide this essential and early support, ensures that the legacy of these brave men and women endures, and their families receive the assistance they need to navigate through their profound grief.

Your continued support of their families, through education ensures scholarship monies will be available for the dependents of our Police and Fire Rescue as well, during their time of need at more than nine different Florida universities. Additionally, your commitment towards suicide prevention and mental health education will play a strong roll towards eradication of such fatalities in the future.

Thank you for your dedication and for being a pillar of strength for those who have lost so much. Your efforts not only honor the memory of our fallen heroes but also remind us all of the enduring power of community, compassion, and generosity.

With sincere appreciation,

Randy Strauss
President 2024-25
